PFLUGERVILLE, TX June 15, 2012 -- Seeing a unanswered need, several Pflugerville Animal Shelter Volunteers established a new non-profit organization (federal tax-exempt status pending at this time), Pflugerville Pets Alive (PPA), to provide a way for the community of Pflugerville to make a difference in the lives of animals in Pflugerville including those in the care of the Pflugerville Animal Shelter. The organization will focus on finding homes for all animals in the care of the Pflugerville Animal Shelter that are healthy and/or treatable, raising money for Pflugerville animals and to complete projects at the Pflugerville Animal Shelter to better the lives of the animals that are in its care, to creating community awareness that Pflugerville has an Animal Shelter, and to support, educate and promote animal welfare issues in Pflugerville.

Pflugerville Pets Alive seeks to leave a legacy for animal welfare in the Pflugerville community by being a source of information regarding animals in Pflugerville, creating more awareness of the Pflugerville Animal Shelter and No Kill programs and philosophies, and inspire the next generation of adopters to become leaders in the animal welfare community.

Pflugerville Pets Alive is not affiliated with Austin Pets Alive or American Pets Alive but we will implement the proven programs, philosophies, ideas, and materials of those organizations to make Pflugerville a safe place for pets.

We will be looking for marketing, event planners, and sponsors very soon. Please stay tuned for upcoming volunteer orientations.

Those who want to help can make a donation to support Pflugerville Pets Alive!. This gift enables PPA to help the animals in Pflugerville.
